

## ContourU Conversion

A 5 hour program for the experienced provider of custom molded seating systems with the desire to become certified in the use of Pindot ContourU. Upon completion, participants will become certified to use ContourU product and will receive 5 CEC's for 5 hours of instruction.

### **The participants will:**

- View a demonstration of molding techniques recommended by Pindot.
- View a demonstration of the Pindot "Skribbl'r" digitizing system.
- Review the ContourU order form while discussing options, accessories and modifications that are available.
- Demonstrate and discuss their personal molding techniques using a molding frame of their choice.
- Apply landmarks, take measurements and digitize the mold that they have created.
- Complete a ContourU order form.
- Review components of the process in an effort to make them comfortable and confident in the use of ContourU.

Courses are held at Invacare Corp,  
1200 Taylor St.  
Elyria, Ohio

To register, contact Pindot Customer Service at 800-451-3553. Custom courses can be scheduled at your facility by contacting Tom Mathes at 440-668-7972 or [tmathes@invacare.com](mailto:tmathes@invacare.com).
